

March 19, 1974

(Begin Belt #8)

PRESIDENT: Clerk will record. Read the totals.

CLERK: 18 ayes, 21 nays.

PRESIDENT: The motion is lost.

CLERK: Mr. President, Select File.

PRESIDENT: All right, Senator DeCamp.

SENATOR DE CAMP: Mr. President and members of the Legislature. Then I'm incorrect in my interpretations, since I've been denied the right to have time to take the motion, I think I have the right to take it up immediately then, is that correct, Mr. Brown? My motion to reconsider? Would that be correct?

PRESIDENT: When we get the motion to reconsider, yes.

SENATOR DE CAMP: Yes. Okay.

PRESIDENT: It would be in order. But, we'll file it in that area. Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: Just a point of order. I would move that the school bills, LB984 and LB772, be taken as soon as physically possible to the Governor so that he can make the determination as to whether he's going to accept them or not.

PRESIDENT: All right, Senator Carpenter is moving to expedite the passage of LB984 and LB772. Are those the two numbers? Correct?

SENATOR CARPENTER: Yes, yes.

PRESIDENT: I don't know, I copied them that fast. LB984 and LB772, to the Governor's office. Are there objections to the expedition of those two bills to the Governor's office. Any objection to expediting the bills? Hearing none, so ordered then. We'll expedite as soon as possible those two bills to the Governor's office. Are we ready for consideration and motions of bills on Select File?

CLERK: Mr. President, LB995 has E & R amendments.

PRESIDENT: All right, Senator DeCamp. Excuse me, Senator Cavanaugh.

SENATOR CAVANAUGH: I move the adoption of E & R amendments to LB995.

PRESIDENT: You've heard the motion to adopt the E & R amendments to LB995. All those in favor of the motion please say aye. Those opposed say no. So ordered, the amendments are adopted.

SENATOR CAVANAUGH: I move LB995 as amended be advanced to E & R for Engrossing.
